

B&B Water Project, Inc
Application for Water Class III

Name: _____ Phone: _____

Address: _____

Location of new service: _____

Class III: Application for Water Service: Pressure or Flow Unknown

Water mains exist and water available, but pressure and flow unknown or questionable: \$100 membership fee, \$575 installation fee, easements, Engineering study to determine if pressure & flow meet requirements: fee of \$1000 required (unapplied funds returned to applicant)

Collect \$1675.00 upon application

When the application is approved the following applies:

1. B&B Water Project, Inc will provide a minimum 35 psi water pressure at the water meter.
2. Member is responsible for service line from meter pit to their building(s).
3. Member is responsible for all easements to support installation of water lines. Upon request, copies of easements will be provided to B&B Water Project, Inc.
4. Approved meters must be set within 12 months. All set meters are subject to a monthly bill. If meter has not been set within 12 months, application fees (but not engineering fees) will be refunded. Re-applications will be subject to water availability at that time.

Board of Directors Meeting:

The water applicant may be invited, or may volunteer, to attend a Board of Directors meeting to discuss the application. The Board meets the third Tuesday of each month at 6:00 PM at the B&B Water office conference room. Please be prepared to discuss the following:

House address

Description, site plan or sketch of site with street, drive and location of building(s)

Suggested location of meter pit

Bynum Fanyo Utilities, Inc.:

Bynum Fanyo Utilities, Inc., is under contract to perform numerous duties for B&B Water Project, Inc., including water main extensions, meter pit installations and water meter installations. There are no exceptions. Upon Board approval, the water meter will be installed close to the water main (generally within 20 feet or less of the main) by Bynum Fanyo Utilities, Inc.

B&B Water Project, Inc
