

B&B Water Project, Inc  
Application for Water Class IV

Name: \_\_\_\_\_ Phone: \_\_\_\_\_

Address: \_\_\_\_\_

Location of new service: \_\_\_\_\_

**Class IV:** Application for Water Service: Distribution mains do not extend to desired building site, IDEM approval required

Initial Fees: \$100 membership fee, \$575 installation fee, Engineering feasibility study required to verify pressure & flow at proposed meter pit location. Fee of \$1000 required (unapplied funds returned to applicant)

**Collect \$1675.00 upon application**

1. Member is responsible for all costs associated with water main extensions including, but not limited to:
  - a. Feasibility studies by the B&B Water Project engineer
  - b. IDEM Permit preparation & approval
    - (1). A lengthy process that takes at least 30 days for approval and may require longer than 60 days for approval
    - (2.) IDEM fee determined by length of line extension
  - c. Engineering main extension design fees
  - d. Stone depth field excavations and reports
  - e. Final cost of water main extension installation by Bynum Fanyo Utilities, Inc.

**Note: The water main extension remains the property of B&B Water Project, Inc.**
2. B&B Water Project, Inc will provide a minimum 35 psi water pressure at the water meter.
3. Member is responsible for service line from meter pit to their building(s).
4. Member is responsible for all easements to support installation of water lines. Upon request, copies of easements will be provided to B&B Water Project, Inc.
5. All water mains will be installed according to engineering recommendations and plans by Bynum Fanyo, Inc., the B&B Water Project, Inc., contractor. There are no exceptions.
6. Approved meters must be set within 12 months. All set meters are subject to a monthly bill. If meter has not been set within 12 months, application fees (but not engineering fees) will be refunded. Re-applications will be subject to water availability at that time.

B&B Water Project, Inc  
Application for Water **Class IV Continued**

\_\_\_\_\_ I request installation of water service at the above location. I understand the application is Class IV in accordance with Page 1 of the Application. I submit my check in the amount of \$1675.00.

I also agree to easement right-of way along with the right of ingress and egress to property for construction and maintenance for the contractor of B&B Water project, Inc.

Bynum Fanyo Utilities, Inc.:

Bynum Fanyo Utilities, Inc., is under contract to perform numerous duties for B&B Water Project, Inc., including water main extensions, meter pit installations and water meter installations. There are no exceptions. Upon Board approval, the water meter will be installed close to the water main (generally within 20 feet or less of the main) by Bynum Fanyo Utilities, Inc.

**Board of Directors Meeting:**

The water applicant may be invited, or may volunteer, to attend a Board of Directors meeting to discuss the application. The Board meets the third Tuesday of each month at 6:00 PM at the B&B Water office conference room. Please be prepared to discuss the following:

House address

Description, site plan or sketch of site with street, drive and location of building(s)

Suggested location of meter pit

Applicant Signature: \_\_\_\_\_ Date: \_\_\_\_\_ Deposit: \_\_\_\_\_

B-F Utilities, Inc., Witness: \_\_\_\_\_ Date: \_\_\_\_\_

All approvals are subject to field verification:

By: \_\_\_\_\_ Date: \_\_\_\_\_

Approved or denied by B&B Water Board of Directors:

By: \_\_\_\_\_ Date: \_\_\_\_\_

If denied an accompanying letter will be provided.
